WAQF NOW

Campaign Story **Project Progress**

Sector
Education

Purpose

To fund the relocation and construction of Sekolah Menengah Islam (SMI) Seremban (School) to a waqf gazetted land located at Lot 29470 & Lot 3649 Kg Panchor, Mukim Ampangan, Seremban, Negeri Sembilan. The existing building is unable to fit all students hence there is an urgent need to have a bigger facility due to the increasing number of new students' enrollment.

For information, the School is a private school under Yayasan Takmir-Pendidikan which is registered under the Ministry of Education and Jabatan Hal Ehwal Agama Negeri Sembilan. The School offers integrated academic, religious and tafsir syllabus to the students. Established in 1989, it began its operation with 27 students and only 2 teachers. At present, there are a total number 1,240 students including preschool, primary and secondary students.

myWakaf

myWakaf is a platform for Islamic charitable giving. It features a central logo, a navigation bar with links to Home, About Us, Our Model, Our Projects, Newsroom, Contact Us, FAQ, BM, and Waqf Now. A large banner at the top right says "Berwakafkan Sekarang". Below it, a section titled "Langkah-langkah berwakaf melalui portal:" provides instructions:

1. Layari portal www.mywakaf.com.my
2. Tekan butang "TUNAIKAN WAKAF"
3. Pilih projek pembangunan myWakaf
4. Isikan maklumat peribadi
5. Tekan butang "PROSES BAYARAN WAKAF"

Below these instructions are payment method options: JomPAY (Biller code: 25072, Ref-1: Contact number, Ref-2: Email address), Boost, and QR codes for both.

myWakaf Campaigns

The "myWakaf Campaigns" section displays three projects:

- WAQF OF SOLAR DOME DRYER FOR FISHERMEN AND FARMERS COMMUNITY** (Bank Islam Malaysia BHD, Malaysia) - Collection goal: RM2,500,000.00
- HOUSING WAQF** (Bank Muamalat Malaysia Bhd, Pulau Pinang, Malaysia) - Collection goal: RM254,947.24
- INAP WAQF** (Bank Muamalat Malaysia Bhd, Kedah, Malaysia) - Collection goal: RM254,947.24

UNLOCALISED??
SO FEW PROJECTS??

NO PERSONALISATION??

A red oval highlights the "OUR PROJECTS" link in the navigation bar of the "Our Projects" page. The page displays a single project entry:

PROJECT DEMO

Phase 1

Selangor-based Pilot Program

Objectives:

- Test core features and user experience
- Validate regulatory compliance with PWS
- Build trust with early adopters

Key Partners:

- Perbadanan Wakaf Selangor (PWS)
- Yayasan Waqaf Malaysia (YWM)

Technology:

- Web2 payment integrations
- Public dashboards for transparency: total collected, progress bars, etc.

Features:

- Online donation system
- Project validation system (upload PWS approval letters, etc)
- Donor tracking dashboard

Phase 2

Major quality-of-life improvements

Objectives:

- Introduce localization via Google Maps API
- Innovate on website quality via better visualizations, syariah-compliant gamification features etc.

Key Innovations:

- Google Maps API: Display Wakaf projects by location, with filters
- Gamification: Streaks, badges, sharing to promote peer influence, in a Halal way
- Power BI Powered Visualizations: for enhanced decision-making and user engagement
- Widening of Web2 payment options (if not enough variation)

Phase 3

Nationwide deployment

Objectives:

- Scale to all 14 states
- Integrate with State Islamic Religious Councils (SIRC) for localized project approvals
- Leverage modern technologies like Web3 for advanced donors and transparency

Key Stakeholders:

- YWM (federal support)
- JAWHAR
- Each State Religious Council (MAI)*

Tech Enhancements:

- Web3 payment integration (optional layer for advanced users)
- Specific application requirements in accordance of state regulations

How we plan to scale?
